

Abstract Guidelines

THE TITLE SHOULD BE IN ALL CAPS AND BOLD. DO NOT USE ABBREVIATIONS IN THE TITLE.

Author names should be bold but not in all caps.

Do not right justify the title, author list, or addresses.

Use Times New Roman and a font size of 12 point throughout the abstract.

Paragraph one starts without an indent after skipping one blank line from the email address, and each paragraph is fully (left/right) justified. The asterisk for Authortwo indicates that he will be the speaker. The email address for the speaker is on a separate line with a blank line before and after, as shown. Addresses are separated by semi-colons. Use one-inch (or 2.54 cm) margins all around. Use the U.S. standard paper size (8.5 x 11.0 inches).

Any additional paragraphs start after skipping one blank line from the previous paragraph.

The entire abstract must fit on one page.
