

THWARTS

Tornado Hazard Wind Assessment and ReducTion Symposium

October 14th-15th, 2019

iHotel and Conference Center

University of Illinois at Urbana-Champaign

	Monday Oct 14th	Tuesday Oct 15th
7:30	Breakfast & Opening remarks	
7:45		
8:00	Keynote by Dr. Erik Rasmussen	Breakfast
8:15		
8:30		
8:45		
9:00	Technical session #1: Numerical Model & Simulation	Roundtable discussion: "Promoting interdisciplinary tornado research" chaired by Dr. David B. Roueche
9:15		
9:30		
9:45		
10:00		
10:15	Coffee break	Coffee break
10:30	Technical session #2: Measurement & Observation	Technical session #5: Measurement & Observation; Community Impact & Planning
10:45		
11:00		
11:15		
11:30		
11:45	Lunch	Lunch
12:00		
12:15		
12:30		
12:45		
13:00	Technical session #3: Measurement & Observation; Community Impact & Planning	Technical session #6: Community Impact & Planning; Measurement & Observation; ASCE Tornado Wind Speed Estimation
13:15		
13:30		
13:45		
14:00		
14:15	Coffee break	Coffee break
14:30		
14:45	Technical session #4: Community Impact & Planning; Experimentation	Technical session #7: Numerical Modeling & Simulation
15:00		
15:15		
15:30		
15:45	Break & Walk to Facility tour	
16:00		
16:15	Facility tour: National Petascale Computing Facility	Refreshments & Closing remarks
16:30		
16:45		
17:00		
17:15		
17:30		
17:45		
18:00		
18:15		
18:30		
18:45
